

REMARKS

Claims 20-23, 28 and 34 are pending in the present application.

Claims 20-23 have been amended to contain all limitations of the base claims and any intervening claims.

Claims 28 and 34 have been amended to depend from claim 20. Claim 34 has been further amended to be of narrower scope than claim 20.

Claim Rejections

All rejected claims are canceled thereby rendering all rejections moot.

Claim Objections

Claims 20-23 are objected to as dependent upon a rejected base claim. The objection has been overcome by amendment.

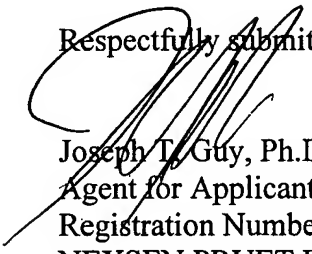

Claims 28 and 34 depend from claim 34 and are therefore patentable for, at least, the same reasons as claim 20.

CONCLUSIONS

The application is now believed to be in condition for allowance and notice thereof is earnestly solicited.
